

Minnesota Veteran Family Support

CHOMP event –

October 22, 2011

(Child Heroes of Military Personnel)

In honor of your children's sacrifice and support of your military service, we would like to invite them to our upcoming event on October 22nd, 2011. This will be a family event!

This is an opportunity for children of military personnel to connect and find support amongst their peers

Both you and your children will receive free admission to Afton Apple in Hastings, MN. Included will be lunch – hot dog, chips and beverage. Our event will go from 11:00am to 4:00pm. Afton Apple has allowed us to stay after our event is finished if your family is interested in any of the other events available – or you want to continue to play in the maze! You may go to the orchard and enjoy apple and pumpkin picking and hayrides.

Entry to the orchard is \$3.00 (this will not be covered by MVFS).

Afton Apple is very excited to host this event! Because of the amount of people that attend Afton Apple on the weekend, they have requested that adults stay with their children at all times.
